Attaching:

Block 45 count over 30 loops of the horizontal line on top of Blocks 28 and 32, join in back, pick up 30 loops across and make connection (32 loops on hook)

Some things from normal crochet are also possible in Tunisian crochet, like a back post stitch. That is what we are going to use in this pattern to create nice flowers.

BPTSS - Back post TSS

Insert hook from front to back to front again so it is under both front and back loops of next stitch, YO and pull up a loop

Work the first BPTSS stitches around the YO of the increase in Row 3. In the next few rows you pick up the previous BPTSS.

NOTE: The increase can be worked as a TKS if it creates too large of a hole when working as TSS.

TDS - Tun Double stitch

Yarn over, insert hook under next vertical bar and pull up a loop, YO and pull through 2 loops

Popcorn

Make 5 TDS in 1 stitch, yarn over and pull through all 5 loops on the hook
